MEMORANDUM FOR: Director of Logistics

VIA: Acting Chief, Real Estate and Construction Division
Office of Logistics

FROM:

Director of Training and Education

SUBJECT:

Delegation of Contracting Authority
for Installation of a Cable
Television Distribution System

1. The Office of Training and Education (OTE) has identified FY-88 funds for the installation of a cable television distribution system. This memorandum requests a delegation of contracting authority to the Chief, Public Works Branch (C/PWB) for the execution and administration of the construction contract, since the estimated installation cost of exceeds the authority granted to the C/PWB.

2. Invitation for Bids were issued to seven companies in June 1988 at which time there were no responsive bidders. A second solicitation was issued to two companies on 5 August, only one of which responded. Since this was the only responsive and responsible offeror, we are planning negotiations with this contractor.
